

Your ID. Your Way.

Customizable laser-cut IDs and name tapes made from rugged 500D Cordura nylon with hook backing for secure attachment. No stitching means cleaner edges, tighter text placement, and complete layout flexibility.

HIGH QUALITY. DURABLE. FULLY CUSTOMIZABLE. NO MOQ.

How to Customize Your ID

1. Select size and shape

Choose from standard sizes or get creative—any shape is possible thanks to our laser-cut process.

2. Select wording

Add agency, title, unit, name, or any custom text.

3. Select lettering finish

Standard or Reflective

4. Select lettering color

Numerous options to match gear and mission.

5. Upgrade with agency badge or logo (optional)

Add agency-specific full-color insignia for a professional appearance. MOQ 10.
