Body Armor Destruction and Recycling

Davy Textiles Inc. works with local, state, and federal agencies to assist with the safe and secure disposal of your body armor. We strive to obtain the maximum recycle rate on materials received. Items that cannot be recycled are disposed of according to state and federal regulations.

We suggest the panel inserts are boxed and palletized, when necessary, with no external markings or paperwork identifying the contents. Pallets should be numbered appropriately. (1 of 4, 2 of 4, etc.) Boxes weighing less than 150 lbs. can be shipped without pallets. Pictures should be taken to ensure there is no damage or tampering while in transport.

It is required that you provide us with a vest panel count to ensure the complete shipment is received. For example, **most concealable vests will have 2 panels**, a front and back panel. Please note any exceptions. We will issue your disposal request (DR) number with the purchase order. Prior to shipping, email your **Purchase Order** to support@davytextiles.com. Make sure you include the agency name as you want it shown on the Certificate of Destruction.

Shipping

Ship your vests with a common carrier of your choice to our facility in Statesville NC.

Davy Textiles Inc., 116 Wooten Street, Statesville NC 28677

Office: 704.978.1099 / Cell: 704.651.8684 or support@davytextiles.com

Our business hours are Monday through Friday 8:00 am-4:30 pm EST.

Fee Schedule

After two decades of free destruction service, we are now forced to charge a fee due to circumstances beyond our control.

Vest panels = \$3.00 per panel

There will be an administrative fee of \$150 for shipping less than 50 panels.

Helmets = \$ 4.00 per helmet

Plates (metal/ceramic) = \$2.00 per plate

Carrier Environmental Fee= \$2.00 per outer carrier

Shipping costs will be greatly reduced if the outer carriers are removed.

A Certificate of Destruction will be issued after all items are destroyed and payment completed.

Thank you for investing in a sustainable future.
